Middle School

## **Safeguarding**

I would like to take this opportunity to reassure parents that Oldfields Hall Middle school fully recognises its responsibility to have a clear and secure framework in place to safeguard and promote the welfare of children.

All staff who work within school are aware of the school Safeguarding Policy together with Keeping Children Safe in Education: Statutory Guidance 2019 and Working Together to Safeguard Children (2018) Statutory Guidance.

Safeguarding and promoting the welfare of children is the responsibility of everyone in school and all staff are well versed in the procedures to follow should concerns be highlighted.

On occasion we work with external partners to enhance our educational provision. When we work with external partners we always do so in line with our safeguarding policy and following best practice.

If you would like to discuss this further, please contact Mr Gliddon or Mrs Marsh during school hours
